Nature of Reston Community Center Exhibits

Since Reston Community Center is a public facility utilized by all members of our community, the nature of daily activities requires some discretion in the type of work displayed. Work that is sexually explicit (work that is representational or realistic in depiction of human genitals will be considered sexually explicit by RCC) or graphically violent will not be considered appropriate to the space. Artwork that does not meet these guidelines will be removed by Reston Community Center staff and stored until the artist can be contacted. RCC staff and artists work together to create an atmosphere that is sensitive to the multi-use nature of the facility.

3D Gallery Information

Lighted display cases that line the walls of a 30-foot hallway display all types of pottery, sculpture and other three-dimensional works. Each display case is approximately 4' wide by 6' tall.
