Nature of Reston Community Center Exhibits

Since Reston Community Center is a public facility utilized by all members of our community, the nature of daily activities requires some discretion in the type of work displayed. Work that is sexually explicit (work that is representational or realistic in depiction of human genitals will be considered sexually explicit by RCC) or graphically violent will not be considered appropriate to the space. Artwork that does not meet these guidelines will be removed by Reston Community Center staff and stored until the artist can be contacted. RCC staff and artists work together to create an atmosphere that is sensitive to the multi-use nature of the facility.

3D Gallery Information

The 3D Gallery is a glorious result of RCC Lake Anne's 2011 renovation. Lighted display cases that line the walls of a 30-foot hallway display all types of pottery, sculpture and other three-dimensional works. Each display case is approximately 4' wide by 6' tall. Within each case are three 4' wide by 2' tall shelves. The bottom shelf is a black, hard surface material with a depth of 14" and the upper two shelves are glass with a depth of 12.5". The back and sides of the entire display case is mirrored. The 3D Gallery is open to the public during RCC Lake Anne hours of operation, Monday through Saturday, 9:00 a.m. to 9:00 p.m. and Sunday, 9:00 a.m. to 8:00 p.m.
