Dear campers and families:

It is time to think about summer! RCC has planned fantastic programs for campers and their families. We have exciting full-day and half-day summer camps, including our popular all-day travel camps Road Rulz and Camp Goodtimes. Arts-focused offerings, Young Actors Theatre (YAT) and Lake Anne Art Rave for Kids (LARK), return to engage creative campers in visual and performing arts. I will spend a lot of time this summer near the kitchen hoping for free samples from all the tasty cooking camps including Chocolate Fantasy, Literary Cooking, Taco Food Truck Cooking, and more.

There are some great specialty camps to consider: Fused Glass Camp, Mosaics, origami, Woodworking, Making Stuffed Toys, Coding, Magic Performance, Photography, STEM Challenge and more. After-care camps will be offered again for families needing a longer camp day.

Learn more about our programs, as well as other Reston-area opportunities, at the Reston Summer Camp Expo at RCC Hunters Woods on Saturday, January 28 from 9:00 a.m. to 12:00 p.m. In addition to camp representatives, there will be child ID and fingerprinting services, door prizes, hands-on games and crafts, information about fee waivers and camp scholarships, and summer employment and volunteer opportunities.

Best regards,

Kevin Danaher
Leisure & Learning Director

RCC Fee Waivers

Reston Community Center provides fee waivers to help eligible residents and employees of Small District 5 participate in RCC programs. This program provides financial assistance to families meeting our income requirements. Completed forms are confidential and will be kept on file for one year. If your family is eligible, a fee waiver account for each family member under age 18 will be created, and may be used for any combination of RCC summer camp programs. The regular Reston resident fee is waived and a \$10 fee is required per week of camp and for each camp registered. The fee is also required for each week of after care programs – Zen Zone and YAT Zen Zone.

Do fee waiver credits expire?

Yes. Fee waiver credits expire on June 30; applications must be made annually.

Does the per household member fee waiver credit include summer camp fee waiver credits?

No. RCC maintains two fee waiver funds, one for “general” programs such as classes, workshops, trips and tours, and a separate fee waiver fund for summer camps. Qualifying individuals will receive an amount each fiscal year that can be applied to general programs. Qualifying summer campers will receive additional fee waiver credits in an amount equal to the total fee for all summer camps for which they successfully register, less a \$10/week non-refundable enrollment fee.

How is eligibility for the Fee Waiver Program determined?

RCC will continue to use an economic means test in order to determine eligibility based upon household income level. The threshold is set at a level higher than 100 percent of the applicable Federal Poverty Level to adjust for the higher cost of living in our area. In addition, only individuals who meet RCC’s definition of a “Reston” patron (either reside or work within Small District 5) are eligible for the Fee Waiver Program.

What documentation is required in order to determine if a member of a household qualifies for the Fee Waiver Program?

Patrons wishing to qualify must show proof of eligibility and documentation describing the household members. Acceptable forms of eligibility and household member documentation include a copy of their latest income tax return, SNAP, TANF, WIC, Medicaid, Head Start and/or Free and Reduced Lunch paperwork.

What if the names of my dependent/ foster children are not listed on the income tax return or other documentation provided?

Only those household members listed on the document(s) provided will be eligible to receive the fee waiver credit.

Are there any enrollment fees associated with using the fee waiver credits?

Yes. A \$10.00 non-refundable enrollment fee is required for each week of summer camp.

Can I register online and pay for a program using fee waiver credits?

No, not at this time.

How soon after a fee waiver application form and the supporting documentation is submitted can I register for Camps?

You will be able to submit your registration form immediately or on the first day of Reston registration (whichever is applicable). As long as it is accompanied with the required enrollment fee, the registration will be processed and the seat(s) in the camp(s) will be reserved. Your account will show a balance due until such time as the fee waiver application has been processed and fee waiver payment made.

How long will it take for a fee waiver application to be processed?

Fee waiver applications will be processed by the Customer Service Manager within three to five days of receipt of the fee waiver application at which time a fee waiver credit will be added to each eligible household member’s account.

But what if it is determined that I am not eligible for a fee waiver?

A member of RCC’s Customer Service staff will contact you and request that the outstanding balance be paid in order to continue to reserve space in the camp. At your discretion, the enrollment may be canceled and the registration fee fully refunded.
