Chair's Remarks

Bev said she likes the posters that say "Welcome Home" to RCC's swimmers. The pool is open, and there are happy people. She is glad 2019 is over. The older she gets the more she realizes her own mortality. Bev read a poem:

Each Moment is Precious by Pat Fleming

Live in the moment,
Just take it all in.
Pay attention to everything,
Right there and right then.

Don't let your mind wander
To what's coming next.

February 3, 2020 Board of Governors Meeting Minutes

Cherish this moment
And give it your best.

Don't let tomorrow
Make you rush through today,
Or too many great moments
Will just go to waste.

And the person you're with,
In that moment you share,
Give them all of your focus;
Be totally there.

Laugh till it hurts,
Let the tears drop.
Fill up each moment
With all that you've got.

Don't miss the details;
The lesson is there.
Don't get complacent;
Stay sharp and aware.

It can take but a moment
To change your life's path.
And once it ticks by,
There is no going back.

In just 60 seconds,
You may make a new friend.
Find your true love,
Or see a life start or end.

You become who you are
In those moments you live.
And the growth's not in taking
But in how much you give.

Life is just moments,
So precious and few.
Whether valued or squandered,
It's all up to you!

Committee Reports

January 3 and 4 Long Range Planning – Committee Chair Bill B. said it was a great two days spent exchanging ideas and discussing the 2019 Community Survey Results. New Hunter Mill District Supervisor Walter Alcorn attended and said he looks forward to more involvement. The insightful discussion is going to set us up for our next Strategic Plan. The way we do the next Strategic Plan will be informed by the County's One Fairfax policy and will be looking with an equity lens at our collective work. We got an update on CAPRA accreditation. We are getting ready for the site visit in May. The Fairfax County Park Authority will be doing a mock visit later in February and will give us feedback. Leila said that

February 3, 2020 Board of Governors Meeting Minutes

will give us information for strengthening our narrative and compliance documents. The compliance documents will be uploaded in early March.

Dick asked about the county strategic plan. Bill B. said it will probably be adopted by the supervisors in March. Leila said it will be tied to the County Executive's budget presentation in February. Leila said our strategic plan pillars are in synch with the county and will fit well within the One Fairfax framework. Bill P. said he would not be surprised if the county adoption of the strategic plan is extended as there are many new supervisors. Leila said they want to present it to the community as part of their thinking, not just the work of the prior board. Leila said we have a year to formulate the RCC Strategic Plan; we will have a good idea of where we are heading by summer.

February 3 Finance Committee – Chair Paul said substantial savings will be returned to the fund balance from the aquatics project. However, an issue with the pipes and roof leaks may cost us, so that number could change.

Leila pointed out the savings from various project categories in the Total Project Estimate document in the package.

Paul described other details from the Finance documents: the aquatics project was the biggest expense; the website will be a \$100,000 expense; taxes have had a positive effect on revenue and interest numbers have been outstanding. He said the memorandum to the county outlines some of these things and gives the third quarter budget estimates.

Dick said he was surprised to see revenue from programs being less than expected. He asked about underperforming programs. Leila said some of the shortfall is a result of lower participation and much of it is unrealized revenue that results from fee waiver usage. Our unrealized revenue for fee waivers is \$104,787 to date. We have some programs where we are trying to build attendance as a greater priority than accumulating revenue. Paul said the pool closure affected all programs as there are not as many people in the building. Leila said our total participation count for 2019 was about 188,000. It is about 220,000 when the pool is open.

MOTION #4

To Approve the January 3 and 4 LRP Committee Reports

Paul moved that the Board approve the LRP Committee reports. Dick seconded. The motion passed unanimously.

MOTION #5

To Approve the Third Quarter Budget Transmittal

Paul moved that staff proceed with transmittal of Third Quarter materials to the Fairfax County Department of Management and Budget per their requirements not later than February 7 as reflected in the February 3, 2020 Transmittal Memorandum and Fund Balance statement. Dick seconded. The motion passed unanimously.

Board Member Input on Activities Attended

Bill P. enjoyed *Liner Notes* and the rest of the Dr. Martin Luther King Jr. Birthday Celebration activities. He attended Planning and Zoning meetings; new Hunter Mill District Supervisor Walter Alcorn has started a review of the Comprehensive Plan. He will be appointing a new task force to look at planning and zoning in the Comprehensive Plan for Reston.

Dick attended The Capitol Steps and MLK weekend events.

Lisa missed the Strategic Planning Meetings because her son Josh, an officer in the Navy, returned home from overseas. She also missed the MLK Keynote but enjoyed *Liner Notes* and The Capitol Steps. The new pool environment is phenomenal.

Bill B. attended the MLK Keynote Address and lots of meetings.

February 3, 2020 Board of Governors Meeting Minutes

Paul attended MLK weekend events and met with South Lakes High School Principal Kim Retzer. He enjoyed a personal tour of the new pool with Leila. He noted that while the big stuff (such as two new pools) is great, little things like a quieter environment and new locker rooms are very nice too.

Laurie said she likes that there is less echo in the pools area and locker rooms; it can be very stressful when you are in the changing rooms with young children. She likes the new mosaic artwork. Laurie enjoyed Bakari Sellers' Keynote Address. She attended The Capitol Steps and *Voices of Inspiration*. She enjoyed the MLK Community Lunch and asked if we can find a way to use biodegradable plates and utensils instead of plastic.

Bill K. enjoyed *Liner Notes* and the rest of the MLK experience. He has been in the new pool; it was very nice. He attended The Capitol Steps and took a tour of Southgate Community Center.

Bev attended the Strategic Planning Meetings. She sang at the Reston Community Orchestra's MLK concert. She attended *Liner Notes* and The Capitol Steps. Leila and Bev (along with Board liaison Vicky Wingert) had a meeting with Reston Association. It was a good conversation. Bev helped organize a showing of the movie *Thirteenth* at her church. Lisa facilitated a discussion afterward.

Executive Director's Reports

RCC will host "RCC: Past and Future" next Monday (February 10). So far, 123 people are registered. We will hear results of the UVA Center for Survey Research RCC 2019 Community Survey report. She asked for a Board action to accept the report.

MOTION #6

To Accept the RCC 2019 Community Survey Report

Dick moved that the Board accept the report. Bill B. seconded. The motion passed unanimously.

Leila said RCC is in the process of putting together booking documents for next cycle (September 1, 2020 to August 30, 2021). We have not raised the base rental rate in three years. Suggested rates:

- Small room rental: raise by \$2/hour – to \$14 an hour.
- Community Room rental: raise by \$5/hour – to \$65 an hour.
- Aquatics: holding the rental rates to 2018 prices through Fall 2021.
- CenterStage: holding rental rates the same through FY21. Renovations this summer will reduce seating.

We have talked about the pool; it is indeed beautiful. People are mostly happy. We will be exploring the pipe issues and leaks. Other program areas in December and January: RCC underwrote performances by Dukes of Yale (a cappella group) at LHMS and SLHS. We also took *Liner Notes* to both schools. We reached about 1,300 teens with those shows. We launched "Reston Plays Games," a new tabletop games series. We held three outreach events (gift wrapping workshops) at VY, The Harrison and The Aperture. Those served about 150 patrons.

Leila said our fitness program expanded early morning and evening options, adding a drop-in yoga timeframe. RCC Rides gave 157 rides in January.

Laurie asked when parking would be available in the rear of Hunters Woods. Leila said the contractors have 45 days to finish punch list items, then those spaces are returned to RCC.

Old Business

None

New Business

Lisa said Southgate Community Center is very thankful and grateful to RCC. It is nice to see how that community has grown with good leadership.

Attending from the RCC Staff:

- Renata Wojcicki, Finance Director

The Chair called the meeting to order at 6:30 p.m.

Leila directed everyone to the handouts section. She said there was nothing really remarkable about the December financial profile. She noted that the statement reflects the adjustments made at carryover. There is still a balance of \$53,526 from taxes to be collected, which is a little smaller this year than the amount remaining was at this point last year.

Leila said the interest section shows that the market continues to outperform estimates. The red numbers reflect revenue that has exceeded expectations. Dick said he is impressed by the interest figures (400 percent higher than estimates). Paul said this has been the case for a while. Leila said investment income is commensurate with current rates of return and to remember this is based on our portion of investments of the County's dollars.

Revenue – Leila anticipates we will be at or near targets in all revenue-earning areas except Aquatics classes and drop-ins because we lost a couple of months due to construction delays. Paul asked what the end result will be. Leila said we are getting robust interest, but it is hard to predict how the year will go since we've not had the two pools in the past. This week (February 3) is the first week of classes. She has heard from people that they are registered for programs at other facilities through February, but they will return after that.

Paul asked whether personnel costs will be lower than planned because of not paying lifeguards during December and January. Leila said savings might not occur as we hired staff to start in early January. Even without the pool being opened, guards were working with training, cleaning and opening prep. We will have some liquidated damages (from the contractor due to pool delays) that will reduce costs on the project side. Dick asked where liquidated damages show up. Leila said they do not show up as a line item; they are assessed prior to final payment to the contractor.

Leila said she expects non-aquatics revenue categories to be perform at expected levels although the use of fee waivers will have an impact in Youth and Lifelong Learning cost centers.

Personnel – Leila said levels are as expected. She explained that personnel costs lag behind two weeks. We have restored the pool operations position and filled two assistant technical director positions, both under amounts originally budgeted. That will create some savings.

February 3, 2020 RCC BOG Finance Committee Meeting Minutes

December shows the impact of both cycles of programming – summer and fall, because most programs stop meeting in mid-December. Dick asked why the numbers for comptroller are large (\$455,000). Leila explained the department is Renata plus three other employees and benefits. Dick asked if the Media personnel costs included the new website. Leila said that is not a personnel cost; it is included on the Media operations line.

Operating – Leila said that printing costs have risen. Leila noted the \$100,000 in the Media budget for the new website. She said we might obligate the money before end of the fiscal year; if not, it will be added to the FY21 Media budget.

There is still final payment to be made to University of Virginia for the Community Survey, but the most significant part of the spending has happened. Leila noted that most of the money in Media that is not printing is sponsorship fees. Dick asked if it is possible to break out Media costs/sponsorships. Leila said sponsorship levels are determined by organizations and that RCC spends on the level that best fits our marketing goals. Additionally, some of our programming dollars (Community Partnerships) support Reston non-profits.

Capital Budget – The major existing project is the aquatics renovation. Leila noted the committee's package includes the most recent total project estimate document. We remain on track to be under budget. There are still some unknowns as some significant plumbing issues have been discovered and may need to be repaired. Plumbing issues include water pressure flow related to heat, readjusting pipe sizing and possibly replacing PVC with copper pipes close to the spa. There is a meeting on Wednesday, February 5, with the contractor, pool sub-contractor, design engineering firm, plumbing firm and architect. We will know more about potential costs after that.

Laurie asked if spa temperature is higher than anticipated. Leila said no. The issues relate to water returning to the spa. The location of the pipes may require higher temperature needed for the water flowing from the heat exchanger. If we make the determination to replace that pipe area, we would have to pay for the design change. Paul asked the estimated cost. Leila said she does not know. Laurie asked if it would involve shutting down. Leila said she will know more after Wednesday. Another area of cost could be repairing leaks from the roof, which were discovered during major rain last week. We will be checking seals, especially on clerestory windows (which were not replaced during construction).

Third Quarter Submission – The transmittal memo shows the shortfall in program revenue, that will be offset by interest revenue. Canceled programs and position turnover will result in savings of more than \$400,000 in personnel. We will know in late April to Mid-May the true closeout costs of the aquatics renovation project.

Dick asked about the Fund Statement table. Is the ending balance surplus net of expenditures? A discussion ensued about how to read the document. Leila explained the county format requirement is to show a zero balance at the end of the fiscal year; reserves amounts become the beginning balance for the upcoming fiscal year. Money at the start of the fiscal year (depending on the point in time we read the statement) may reflect both reserves and savings; for example, the beginning balance for FY20 (showing the totals allocated to reserves at the end of FY19) is the actual beginning balance. Forward from there, the amounts are all estimates. She explained how the money is distributed into capital reserve, feasibility study reserve and maintenance reserve categories.

Laurie asked about the feasibility study reserve. Leila said it is there if we hear from the community that it wants a major capital project to fund a feasibility study rather than wait a year to budget that. Leila explained the economic and program reserve. From 2009-2015, RCC operated at a deficit and used money from that reserve account to support the spending. Laurie asked how these funds are set up. Leila said the Board works with the Department of Management and Budget (DMB) to establish the reserve funding formulas and the allocated amounts of applicable limits.

Paul asked if there were any other questions. Bill B. moved that the finance committee recommend to the board that the staff proceed with transmittal of Third Quarter materials to the Fairfax County Department of Management and Budget per their requirements not later than February 7 as reflected in the February 3, 2020 Transmittal Memorandum and Fund Balance. Dick seconded. The motion passed unanimously.

The meeting adjourned at 7:20 p.m.

**Revenue
comment**

General Notes: Revenues totaling \$236,921.70 collected prior to July 1 in 2019 were reversed and recorded as FY20 program revenue as those activities occur after July 1, 2019 (the beginning of FY20.) A net increase in the amount of \$452,148 to the FY20 projected revenue estimate was requested at FY19 Carryover submission. The change is reflected in the month-end report in the "Revised FY20 Funding" column. The net increase reflects new revenue from taxes and interest, and reduced revenue anticipated for a variety of program areas.

1. **Administration:** The Administration revenue includes tax, interest and facility rental revenues. Facility rental revenue is combined T-Mobile antenna and room rental revenue. We have collected 99.37% of tax revenue, 73.51% of estimated Facility Rental revenue (which also includes T-Mobile antenna revenue) and 400.75% of estimated interest revenue. Collection of interest is dependent on Investment Procedures approved by the Fairfax County Government Investment Committee. The investment income is commensurate with current rates of return including repurchase agreements, commercial paper, short term bills and notes.
2. **Performing Arts Theatre Admission:** Theatre admission ticket sales from Professional Touring Artist Series shows went on sale August 1. Revenue accumulates in relationship to performance dates.
3. **Performing Arts Theatre Rental:** Theatre rental payments are made on an irregular schedule depending on when rental performances occur.
4. **Performing Arts Misc. Revenue:** Revenue from processing fees for online ticketing; terms negotiated with Tickets.com return a small amount to RCC. Revenue from this stream was not projected for FY20 as there was little predictive data upon which to base the estimate.
5. **Performing Arts Equipment Sale:** Auctioned equipment sale proceeds; no revenue is predicted for this category as we can't be sure that surplus equipment will sell.
6. **Performing Arts Cultural Activities/Arts Organizations:** The community arts box office receipts and payments clearing line.
7. **PTAS Merchandise Sale:** Sales of books.
8. **Aquatics Classes/drop-in:** Year-to-date revenue represents winter/spring program registration revenue.
9. **Aquatics Rental:** Represents natatorium rental payments. As a result of delayed opening, no SLHS swim team rental revenue is anticipated. This revenue target will not be met for FY20. Rental from Reston Masters and Reston Swim Team Association will occur for spring cycle.
10. **Fitness:** Year-to-date amount includes program registration revenue for fall through spring offerings. Spring offerings will continue to achieve enrollment and revenue.
11. **Youth/Teen:** Year-to-date amount includes program registration revenue for summer, fall, winter and spring cycles. Most of this cost center's revenue is realized during the summer. Fee waiver program participation in this cost center is significant.
12. **Lifelong Learning:** Year-to-date amount includes program registration revenue for summer, fall, winter and spring cycles.
13. **Collaboration & Outreach:** Focus for this cost center has been changed from revenue generation to awareness and marketing goals. The revenue projection has been significantly reduced as a function of this shift upon approval of the FY19 Carryover Package by the Board of Supervisors in September 2019. The new numbers are presented in financial reports. Revenue is from enrolled class offerings in offsite locations.
14. **Community Events:** Revenue is collected from booth fees associated with the Reston Multicultural Festival and MLK luncheon ticket sales.
15. **Arts Education:** Year-to-date amount includes summer, fall, winter and spring cycles. Summer revenues from LARK and YAT contribute significantly to this cost center's revenue.

Personnel Expenses:

General Notes: Payroll posting lags two weeks behind the calendar; therefore, the percent of the year elapsed, and the percent of the budget expended, will not align. Summer personnel costs also reflect the fact that there is a split typically for pay period 14 that requires accounting for personnel costs that belong in the prior fiscal year and those that belong in the current fiscal year. Typically – because of our programming calendar – we get a fairly true picture of the personnel costs related to summer and fall programming cycles by the end of December. Staff monitor summer camp personnel expenditures against projected expenditures on a pay period by pay period basis for Youth/Teen and Arts Education cost centers because of the larger percentage of personnel funds that will be spent in the summer for those cost centers. RCC's FY19 Carryover Package requested an additional \$118.2K in funding to cover extra L&L and A&E programming; these increases are presented in this financial report.

1. **Administration:** Administration's allocated budget is typically under-spent; funding provides for \$91.33K for Other Post-Employment Benefits (OPEB) costs.
2. **Facility Services (Booking):** Personnel costs are at the expected level.
3. **Comptroller:** Personnel costs are at the expected level.
4. **Customer Service:** Personnel costs are at the expected level.
5. **Facility Engineer:** Personnel costs are at the expected level.
6. **Maintenance:** Personnel costs are at the expected level.
7. **Information Technology:** Personnel costs are at the expected level.
8. **Media/Sponsorships:** Personnel costs are at the expected level.
9. **Community Partnerships:** No personnel costs are anticipated in FY20.
10. **Performing Arts:** Personnel costs are at the expected level. Two vacant Assistant Theater Technical Director positions were filled in December 2019.
11. **Aquatics:** One full time position (that was loaned to DPWES for project management of the renovation project) was restored to this cost center. It is a Park/Rec Specialist I position – Aquatics Operations Director – that will handle the pool lifeguard program, equipment monitoring and related functions. Recruitment and hiring occurred in November 2019. Aquatics staffing costs will be higher compared to revenue generation because of the delayed opening. In addition, the guard rotation and staffing profile will be adjusted as patron use patterns evolve with the new pools.
12. **Fitness:** Personnel costs are at the expected level.
13. **Leisure and Learning Admin:** Personnel costs are at the expected level.
14. **Youth/Teen:** Personnel costs are at the expected level. Personnel costs include summer camp labor costs which occur in July and August.
15. **Lifelong Learning:** Personnel costs are at the expected level.
16. **Collaboration & Outreach:** Personnel costs are at the expected levels.
17. **Community Events:** Personnel costs are at the expected level.
18. **Arts Education:** Personnel costs are at the expected level. Personnel costs include summer camp labor costs which occur in July and August.

Operating Expenses:

General Notes: Reservations for ongoing (multiple months) expenses are made at the beginning of the year; funds are spent down from them. The net effect of either stand-alone expenses or spending down of reserved amounts is shown in the column marked "YTD." As we get closer to the end of the year, unspent balances of program contracts will be restored to the cost center balances. In RCC's FY19 Carryover Package, an additional \$385K in funding was requested to cover operational needs, additional summer concert programming in Community Events, and development of a new RCC website. These additions are presented in financial reports.

1. **Administration:** Current month expenses and reservations/payments are for equipment and repairs.
2. **Board:** Current month expenses and reservations/payments are for RCC's survey costs and BOG operating expenses.
3. **Facility Services (Booking):** Current month expenses and reservations/payments are for security, storage rental, and Aquatics signage.
4. **Comptroller/LA Lease/Admin:** Current month expenses include DIT copy service billing, postage and bank fees.
5. **Customer Service:** No current month expenses recorded.
6. **Facility Engineering:** Current month expenses and reservations/payments include facility repair and maintenance costs for RCC HW and RCC LA buildings.
7. **Maintenance:** Current month expenses and reservations/payments include utilities, maintenance, custodial services and supply costs.
8. **IT:** Current month expenses and reservations/payments are for software testing and cellular phone costs.
9. **Media:** Current month expenses and reservations/payments include printing and advertisement costs. Printing costs for FY20 have been higher than the prior year; these costs are beyond RCC control and represent increases in pricing for print products. RCC uses environmentally appropriate paper products and to the degree possible minimizes the number of pages in program guides and other publications.
10. **Community Partnerships:** Current month expenses are supplies.
11. **Performing Arts:** Current month expenses include program operating and theatre maintenance costs.
12. **Aquatics:** Current month expenses and reservations/payments are for uniforms, furniture, maintenance and aquatics supplies.
13. **Fitness:** Current month expenses and reservations/payments are program delivery costs and training.
14. **Leisure and Learning Admin:** Current month expense is for supplies.
15. **Youth/Teen:** Current month expenses and reservations/payments are for program delivery and recreational activity costs.
16. **Lifelong Learning:** Current month expenses and reservations/payments are for recreational activities, transportation and program delivery costs.
17. **Collaboration & Outreach:** Current month expenses and reservations/payments are for program delivery costs and operational travel.
18. **Community Events:** Current month expenses and reservations/payments are for program delivery and supplies costs.
19. **Arts Ed:** Current month expenses and reservations/payments are for program delivery and supplies costs.

General Notes: Because of scheduling, RCC Capital Improvement Projects frequently carry over from one fiscal year to the next. Hidden columns each month include activity (plus or minus) that has already occurred; the net in the remaining balance column includes prior months' transactions. The Capital Projects Team will determine the "completed project" status and reallocate remaining funding to either existing projects (if needed) or to the Fund Balance.

1. **RCC Improvements/CC-000001:** Backstage RTU (Roof Top air-conditioning Unit) replacement and HW Roof Replacement. HW Carpet Replacement Phase I and HW A/V Upgrade projects are completed and remaining funding will be repurposed. Solar Panels project funding was reallocated to the Aquatics Renovation Project to cover extensive locker room maintenance (lockers, floors and partitions replacements.) The remaining balance will be repurposed.
2. **RCC Facility Enhancements/CC-000002:** The LA Gallery Entry is completed. Remaining funding will be repurposed or returned to the Fund Balance. The replacement of the RCC LA oven is a new FY20 project.
3. **RCC CenterStage Enhancements/CC-000008:** This project included funding for the CenterStage floor replacement which is now completed. Audio Visual Controls, LED Lights replacement and RCC PA Projection Screen are active projects.
4. **RCC Aquatics Renovation/CC-000009:** TLS Aquatics Ctr. project.

MEMORANDUM

FROM: Beverly A. Cosham, Chair
Reston Community Center Board of Governors

Executive Director
Reston Community Center

SUBJECT: FY 2020 Third Quarter Budget Review

DATE: February 3, 2020

The FY 2020 budget for Reston Community Center (RCC) is \$14,390,600. Our FY 2020 Third Quarter review indicates the following:

- RCC anticipates collection of the projected tax revenue. We anticipate a shortfall of \$142,739 in program revenue to be offset by the collection of an estimated \$111,000 in interest revenue. No change to revenue projections is requested at this time.
- We anticipate an estimated savings of \$432,720 in salaries resulting from vacancies in merit and exempt positions, as well as program cancellations due to low enrollment. No change to our personnel budget allocation is requested at this time.
- We anticipate an estimated \$169,968 in savings in operating expenditures resulting in part due to lower enrollments that prompt contract cancellations. No change to our operating budget allocation is requested at this time.
- Remaining capital project balances scheduled for FY 2020 will carry forward into FY 2021 due to calendaring considerations.

Funding for the FY 2020 Third Quarter budget request is available in Sub-Fund 40050, including the Managed Reserve accounts established in FY 2002 and modified in FYs 2003, 2005 and 2009 for the long-term preservation and maintenance of Reston Community Center facilities, and stability in its operations and programs.

Report of Event Activities

Reston Community Center Board and staff executed an event to gather input from the community that would help kick off the year of thinking about and developing RCC's next five-year strategic plan. The event outline was developed and discussed in the January strategic planning sessions. The first half of the evening took place in the CenterStage at RCC Hunters Woods and included:

1. Welcome – Bev Cosham, RCC Board Chair; and Walter Alcorn, Hunter Mill District Supervisor.
2. Screening of a film commemorating the forty-year history of RCC.
3. Presentation of the high-level results of the 2019 Community Survey by Dr. Kara Fitzgibbon, University of Virginia Center for Survey Research.
4. Brief questions from audience members.

The PowerPoint slides used by Dr. Fitzgibbon are provided by attachment to this report.

The second half of the evening involved adjourning to the RCC Hunters Woods Community Room where facilitator teams from Leadership Fairfax (LFI) provided four groups of audience members with the opportunity to share views on four pillars of RCC's Strategic Plan while also enjoying hospitality. The Facilitator teams rotated from one group to the next; they spent approximately 10 minutes with each group discussing RCC Facilities (Performing Arts venue and existing facilities); Programs (desired programs, pricing, scheduling); Community Building (with whom should RCC partner and how); and Communications (what should be part of a new RCC website and community calendar). Facilitator teams took notes during the proceedings and those results are provided by attachment to this report.

RCC arranged for translation support for Chinese, Russian, Spanish and Arabic speakers for the portion of the evening devoted to conversation. Childcare and transportation options were also made available to attendees. The hospitality was offered in the four group areas throughout the conversation portion of the evening. Total attendance for the event was 192 in the CenterStage with registration totaling 199. A total of nine paper event programs with comments were left with RCC: of those three included contact information and requests for responses. The emailed responses are provided by attachment to this report.

The second portion of the event presented some people with the challenge of being able to hear what was being said by other members of the group in which they were seated. Facilitators tried to go directly to the people with comments to be sure to capture those. Given the brevity of each session, facilitators could not always repeat the questions or comments from participants. Announcement interruptions from Leila also proved distracting from time to time. Overall, patrons expressed appreciation for the opportunity to attend and share their views and noted eagerness to continue to be involved in future sessions. A full contact list will be maintained to assure RCC is able to continue to communicate with those interested in the strategic planning process.

When property tax values rise in our area, revenues raised from property taxes go up too. If more tax money was available to RCC due to new revenue, which of the following statements comes closest to your view?

1. Increase the number/types of programs
2. Increase accessibility to programming by lowering prices/fees
3. Add features to programs and facilities
4. Something else (Please specify)
5. Not sure

Barriers to Participation

13

13

14

Demographic Comparisons of Barriers

- Too busy: Respondents who have children, are employed, and/or are between 30-60 years old rated this barrier higher
- Current program schedule inconvenient: Respondents who are between 30-64 years old, have less than a 4-year college degree, and an annual income less than \$50,000 rated this barrier higher
- Lack of awareness: Respondents who had lived in Reston less than 10 years, work full-time, and are 30-39 or 50-64 years old rated this barrier higher

Performing Arts Venue

20

- How interested would you be in Reston having a larger venue in which to see music, dance, film screenings, or other types of performances that require a big stage to host?
1. Very interested
 2. Interested
 3. Somewhat interested
 4. Slightly interested
 5. Not at all interested
 6. I think RCC's existing facilities (CenterStage and RCC Community Room) are sufficient

21

22

23

- If an arts venue is built by a developer, to what extent do you support RCC operating that venue on behalf of the community? Assume that it would not result in raising the RCC tax rate.
1. Very supportive
 2. Supportive
 3. Somewhat supportive
 4. Slightly supportive
 5. Not at all supportive
 6. Not sure

24

25

26

Without a developer contribution, RCC would need to undertake a bond referendum to obtain authority from the community to borrow funds in order to build a new facility. To what extent do you support RCC financing the building of a new arts venue by means of a bond issue?

1. Very supportive
2. Supportive
3. Somewhat supportive
4. Slightly supportive
5. Not at all supportive
6. Not sure

Summary of Findings

- There are high levels of awareness and support for RCC
- 76% of respondents would like to attend RCC more
- Program Use:
 - Community events and Professional Touring Artist Series are the most widely attended RCC offerings.
 - Lifelong learning and land-based fitness programs have high potential for greater participation in the future

30

Summary of Findings

- Barriers to Use:
 - Being too busy
 - Inconvenient program schedule
 - Lack of awareness of existing programs
- Communications:
 - RCC seasonal program guide highly effective
 - RCC should maintain/expand online presence, including social media

31

31

Summary of Findings

- Widespread support for performing arts venue:
 - 68% are somewhat to very interested in Reston having a larger venue
 - 82% are somewhat to very supportive of RCC operating a venue built by developer
 - 56% are somewhat to very supportive of RCC financing building a venue by means of a bond issue
- Community sentiment will be explored further

TRANSCRIBED NOTES FROM LEADERSHIP FAIRFAX FACILITATORS

COMMUNITY BUILDING

What needs match our mission that could be done better with a partner organization? What organization?	How could RCC function better as a partnering organization?
George Mason University (GMU) – OLLI	Volunteer fair for all nonprofits
Southgate Community Center	Fill gap in communicating to younger people
Assisted living facilities	Partner with social directors in new buildings
Schools – continue to emphasize; middle school	Partner with local schools
Handicapped and special needs	NOVA labs at Isaac Newton Square
Sports/local youth groups	Giving social directors copy for newsletters
Fairfax County libraries	Concern: objective partnering; broad spectrum of organizations
Pinecrest	There's nothing for music or dance groups (facility)
Northern Virginia Community College	
Reston Association	Where should RCC be that it is not yet?
Businesses (larger employers)/Business Headquarters (Mentioned often); USGS; Oracle mentioned	Apps to communicate, more snail mail
Other festivals and sponsors	Putting something in RCC newsletter (from outside)
Senior Centers outside of Reston	Digital platforms: Nextdoor, Facebook page
Fliers in school packets	Meetups connected to single event programs
Homeowner and condominium associations	Early childhood care/programming
Faith communities (mentioned more than once)	
Local arts groups and youth groups	
YMCA	
Audubon Society	
Environmental/ecological groups	
Community desk for all information	

FACILITIES

Notes on a Performing Arts Venue	RCC Facilities – Existing, or Others Desired
Larger stage (dance, choruses)	Storage facility to accommodate functions/events
Acoustics	Assumption: More/better space attracts more users and generates more revenue
Rehearsal space (with piano)	Permanent art and cultural exhibits
Room for larger audiences	Don't lose CenterStage – intimacy is good
Where will it go? (lot location vs. development)	Community bulletin boards
Proper and private dressing rooms (also, non-binary)	Outdoor space aligned – program
Café; catering/fundraising/builder of community	Play for toddlers
Maybe dinner theatre	Kid-friendly space
Close to Metro/transportation	"Millennium Stage (Ken Cen)" types of performances
Parking	Parking; close-in parking
Restrooms (non-binary) able to accommodate large numbers	Bigger exercise studios for seniors
Not enough space for competing demands	Gym space
Benchmarking, studies for requirements	Meditation space (bigger)
Informal versus formal research; formal research	Circus arts
Study other similar facilities	Sustainable/LEED/Green facility features/practice; Environmental Center (Not just Walker Nature Center)
Inventory of unused space in Reston (e.g., Lake House, Conference Center)	Observation deck
Expanded loading dock	Larger kitchen better suited to learning cooking
Welcoming and larger lobby	Ping pong and other games – space
Who is paying for this?	ADA compliance – infrastructure and technology
How is new facility funded: ticket prices; more patrons; grants; naming opportunities; rental revenue	Consider a "convention center" style facility to generate rental revenue – alongside hotel/parking
Sensory-friendly performances	Outreach to Fellowship House

PROGRAMS

Program Types	Pricing Comments
Self-defense	Flat annual fee
Coding robotics	One-time fee of \$10-25; or 1-2 hours per week times 8 weeks: \$120-150
Exercise equipment	Add max of 20% to Non-Reston ticket prices (CenterStage Professional Touring Artist Series)
Defensive driver training (AARP)	One-time per week for 8 weeks - \$75
Music education	Make scholarships and grants available
Bicycle safety	Use a sliding scale pricing approach
Lectures	Use "pay-what-you-can" or trade volunteer hours for access
3D printing	All SD 5 taxpayers should be able to use RCC for free because of taxes paid to support it; use the surplus for that
Sensory-friendly offerings (Autism-friendly)	
Easy way to share programs, all programs; transparent processes	Location of Programming
Teen and adult driving classes in multiple languages	Silver Line-accessible
Women-only swim classes	Avoid Reston Town Center
How to ride a bike	Close to Metro
Vocational certification programs	Webinars
SAT prep classes	RCC HW and LA in the evenings
Firearm safety	Afterschool offerings in schools
STEAM programs	Take shows on the road to underserved parts of the community
Fencing	Corporate board rooms and conference centers
Meditation	Houses of worship
Fitness center	Time of Day
Performing arts Wednesday and Sunday matinees	Variety
Length of Programs	Shorter breaks between sessions
60 or 90 minutes	Early mornings, evenings; 5:30 p.m. or later on weeknights
1-2 hours each class for 8 weeks	Saturday mornings between 8 and 10 a.m.

COMMUNICATIONS

Program Guide; Advertising; Placement Strategies	Website or other digital tools, ideas
Distribution: Lobbies of Reston Town Center and other new corridor buildings?	Mobile phone friendly; mobile phone app – multiple mentions
Libraries	Ability to sign up for more focused information or interests
Realtors; packets for new residents	Get offering information without having to sign in
Reston Historic Trust	Search function needs to be greatly improved (site and registration)
Schools	Need a button for translation / alternate languages
More targeted email outreach—focus on particular topics	Sub-pages for other community groups and partners
Radio stations – local	Virtual meeting space
Printed calendars/monthly programming materials	Emails should have hyperlinks for automatic login by the recipient
Ads on Connector buses	Make events and programming searchable
HOA packets	Make registration less clunky/easier
Information at Reston Metro stops	No more than 3 clicks
Exit info pieces for people attending performances/events	More comprehensive listing of performing arts options
Meetups – use "if/then" – "if you liked XX, you will love YY"	Enrollment or purchase conflict alert (clashing timeframes)
One-stop shopping (registration, tickets) at Reston Opportunity Neighborhood centers	Room availability, public and private
Outreach to teachers; special needs populations	More comprehensive event calendar – all public events
What events should be on a community calendar?	Graphics, text web accessibility standards followed (emphatic)
Reston Chorale concerts	More pictures, less text

What events (continued)	Website or other digital tools, ideas (continued)
OLLI concerts	Better calendar function
Zoning and HM Supervisor meetings	Ability to buy tickets from the homepage
Reach out to houses of worship – get their events listed	Operating status of facilities/programs
Reston Association and Southgate Community Center events	Sign-in on website to see specific areas of interest
Holiday Parade	Tutorial on how to upload events
Community events that are free and open to the public	Always have the web address on print products – programs, etc., on the front
Non-Reston events – nearby	
Library events	
All civic meetings	
Performing arts groups: auditions, performances	
“all of them” and “enough is enough!”	
School programs that are open to the public	
Filter/Sortable: Indoor/outdoor, day/night, type	
Non-profit events	
Reston Historic Trust events	
Sports team tryouts	

PARKING LOT ISSUES AND PROGRAMS WITH STATEMENTS OR QUESTIONS

Issues Expressed in Groups	Program Queries/Statements
RCC needs to conduct a charrette to find out more about what is needed in an arts facility	What will the relationship be to a new arts/community center planned for the Cameron Glen area – north of Bowman and west of Reston Parkway? – Email sent clarifying that area (North Reston Town Center) is not designated for an arts center – public uses: Rec Center, Library, Shelter, Civic and County offices, Central Green) The comment was also forwarded to Sup. Alcorn per the patron’s request.
Arts facility financial viability is a huge question	Hold a charrette to invite the community to brainstorm on the needs of the facilities; meditation room; 55+ programs like Arlington; bike trails (no name or contact info)
Need feasibility study that addresses cost to build, cost to operate any new facility	Program participation can be a major challenge for the deaf and hard of hearing; acoustics are a problem in studios; sound system not effective in fitness studios. Email response to patron indicating the issue is being addressed and will continue to try to improve the audio experience of our spaces.
Will this new arts facility be a county facility? Serve outside Reston and Reston?	Medical and scientific news – program suggestion (no contact info)
Who does RCC serve – Reston or beyond?	Partner with Fairfax County bus system to provide direct service to and from schools, community facilities (no contact info)
	Concerned that the survey assumed the operating costs of a Performing Arts Center could be covered with no increase in SD5 taxes. Similar facilities are running substantial debts. And who will pay to build the center? (no contact info)
	More computer classes: Web page design, Intro to Java; Intro to programming. Outreach via Fairfax Connector, WMATA. (email response thanking the person for the suggestions – replied with a couple more computer class ideas.)
	Change the name so people aren’t confused that RCC is part of Reston Association (no contact info)
	Programs in afternoon – 12:30 to 5; mornings and evenings are already too busy (no contact info)

The event concluded at 8:39 p.m.

Comments and Questions for RCC

My feelings are that to build a 500+ seating venue just for the very occasional use of Reston Choral or Orchestra does not make sense, as there are many other venues in the area that can fill their needs, such as churches (with organ) that the Choral uses now & of good! As far as the Professional touring series, which is great, it barely fills the present Center Stage audience capacity!

1st do a "Needs Survey" - not a wish list if... like last night.

Perhaps if there is a need shown it could be paired with Reston Library expansion.

Funding: Unless need is clearly shown, a Bond issue will not pass.

Facilitator's Questions

During the Community Conversation, these questions are asked:

RCC FACILITIES:

What would you like a new performing arts center to be like?

What should a new arts center cost to use or attend?

What would you like in RCC buildings?

RCC PROGRAMS:

What programs would you like?

RCC COMMUNICATIONS:

How would you like to learn about RCC programs?

What would you like to see in a new RCC website?

What major events would you like to see on a Community Calendar?

RCC COMMUNITY BUILDING:

How can RCC be a better partner?

What partner is missing from involvement with RCC?

Where should RCC programs or events be (outside RCC buildings)?

How can you help RCC reach new patrons?

Durante la "conversación comunitaria", se discutirán estas preguntas:

INSTALACIONES DEL RCC: ¿Cómo le gustaría si fuera un nuevo centro de artes escénicas?

¿Cuánto debería costar usar o asistir a un nuevo centro de artes?

¿Qué le gustaría en los edificios de RCC al momento?

PROGRAMAS RCC:

¿Cuáles programas le gustaría?

COMUNICACIONES DE RCC: ¿Cómo le gustaría aprender de los programas de RCC?

¿Qué le gustaría ver en un nuevo sitio web de RCC?

Facilitator's Questions

During the Community Conversation, these questions are asked:

RCC FACILITIES:

What would you like a new performing arts center to be like?
What should a new arts center cost to use or attend?
What would you like in RCC buildings?

RCC PROGRAMS:

What programs would you like?

RCC COMMUNICATIONS:

How would you like to learn about RCC programs?
What would you like to see in a new RCC website?
What major events would you like to see on a Community Calendar?

RCC COMMUNITY BUILDING:

How can RCC be a better partner?
What partner is missing from involvement with RCC?
Where should RCC programs or events be (outside RCC buildings)?
How can you help RCC reach new patrons?

В рамках обмена мнениями в групповых дискуссиях будут обсуждаться следующие вопросы:

RCC (Рестон Комьюнити Центр) – Помещения и Площадки:

Каким бы Вы хотели видеть новый центр театрального искусства (new performing arts center)?
Какова, на Ваш взгляд, должна быть стоимость посещения или участия?
Что Вы бы хотели видеть в помещениях RCC?

RCC - Программы:

В каких программах вы хотели бы участвовать?

RCC - Контакты и Коммуникации:

Как бы Вы хотели узнавать о программах RCC?
Что бы Вы хотели видеть на новом веб-сайте RCC?
Какие значимые события Вы бы хотели видеть в Календаре Рестон-Сообщества?

RCC - Партнер в укреплении Рестон-Сообщества:

Как RCC может стать еще лучшим более надежным партнером?
Кого еще Вы хотели бы видеть в качестве партнера RCC?
Где еще, кроме помещений RCC, Вы бы хотели видеть RCC программы и мероприятия?
Как Вы можете содействовать RCC в привлечении новых посетителей и участников?
